Dear Families

June 3, 2022

These last few weeks of school are going by so quickly! It has been a wonderful year of learning for our students, and we are finishing strong.

We are thankful we were able to bring back some fun activities this year that we were unable to do last year with COVID restrictions in place. We couldn't have done it without the help of our amazing parent volunteers and the support of our PTO.

As we approach our final week of school, I want to make sure you are aware of the following activities we have planned for the end of the year:

On Thursday, June 9th, we will celebrate Field day at Tonasket Elementary! There are a variety of fun, outdoor activities planned for students.

Report cards will be sent home with students on Thursday, June 9th. This is where you will find out your child's teacher next year.

Friday, June 10th is our last day of school and will be an early release. Students in grades K-4 will have an opportunity to meet the teacher they will have for the coming school year and visit their classroom.

Finally, I'd like to encourage you to check out the summer reading program at the Tonasket Community Library. I cannot stress enough the importance of making reading a priority every day for your child. This will help to lessen the effect of learning loss that often occurs when students are out of school over the summer. The public library is an excellent resource for making sure that your child has access to engaging books at their reading level throughout the year. I have attached information about the summer reading program below.

Until next year, here's wishing you all an enjoyable summer!

Warmly,
Mrs. Martin

Before you check out for summer, please make sure that ALL library books, hotspots, Chromebook, ipads, chargers and headphones are turned in for the summer! Report Cards will be held until turned in.

★★★★PTO NEWS★★★★

Thank you to everyone who made the PTO a success this year! The fund run prizes were big success this year and we cannot wait to do the fund run again next year!

Have an amazing summer break with your kids!

NCW Libraries' Summer Library Program is almost here! Join us for a summer filled with fun activities, June 13 - August 31!

NCW Libraries invites people of all ages, stages, and interests to join the summer library program for library challenges, reading recommendations, Book Bingo, and more! Program materials can be picked up at all [NCW Library locations](#). Folks can also participate online at ncwlibraries.beanstack.org or through the [Beanstack App](#). There will be prizes!

Questions? Email us at tonasket@ncwlibraries.org, give us a call at (509)486-2366, or [ask us on Facebook!](#)

Visit the Tonasket Elementary School website: www.tonasket.wednet.edu, programs/Tonasket Elementary Library. You will find a multiple selection of links to keep your children learning and having fun throughout the summer.

Kindergarten Registration

Early registration has come and gone. If you have not registered your child for school next year please go the school website and do so as soon as possible!

From the Nurse: While you are going through your kids clothes this summer and getting ready for the new school year, please think about donating the old ones to the school. We especially need girls leggings and sweats for boys, sizes 4 - 10. Sometimes we have little accidents and it is always helpful to have some clean clothes for them to change into. Thank you, Nurse Jill and Mrs. Green

Hello June

Joy finds you when you
Understand your value and
Nourish your need
Even when it feels hard.

-Ourmindfullife.com

Happy End of School Year!

June is a shorter month for our students. I encourage you and our students to find time during summer break to recharge. This might look like practicing mindfulness by unplugging and spending time outside; finding time for fun such as playing card games, going on adventures, and having moments of laughter; or even taking time for relaxation - getting extra sleep and spending time doing nothing. Our students have had a packed spring with testing, spring sports, field trips, run club, etc. they certainly deserve some time off. I can't wait to hear how their summers went when we get back next fall.

Every year during this time, I as a school counselor start looking at my school counseling program and reflect on what was a success and what areas I need to improve or grow or add. I am working hard towards aligning the program with American School Counselor Association (ASCA) standards. One area that I am hoping to add next year is an advisory counsel. If you as a parent or community member are interested in learning more, feel free to reach out. One other thing to keep an eye out for next fall is my annual Parent Needs Assessment which helps guide me on how I start the year and what groups I offer.

To conclude, I am really proud of our students. Each one is capable of great things and I have loved seeing them grow throughout this year. As always if you have any needs, questions or concerns please feel free to reach out by email or phone. Have a great summer and enjoy the long days of sunshine ahead.

Sincerely,

Cayla Monroe-Sellers
TSD ES Counselor

Counselors Corner

Migrant News

If you are looking for good things to do with your children this summer
come celebrate and learn with us!
On Tuesday, June 7 at 6:00 p.m.

The last meeting of the year will be held in person! We will celebrate our migrant students who have worked so hard and are graduating! We will also have information and registration for many activities taking place this summer. At this meeting there will be information about summer school, the Tonasket public pool, the Public Library and the Tonasket Community Cultural Center. We will also honor our PAC officers and have a delicious carne asada with handmade tortillas, rice and beans. We count on your presence.
